OAUG News Release

OAUG Board Elects 2011 President, Executive Committee

ATLANTA – Feb. 1, 2011 - The Oracle Applications Users Group ([OAUG](#)), the world's largest user knowledgebase for Oracle® Applications users, announced it named Mark C. Clark as its 2011 president and elected the members of the organization's executive committee.

Clark has been an active member of the OAUG since 1992, holding various leadership roles within the organization. He was chair of the OAUG Membership Committee in 2010 and leads the NCOAUG, which he co-founded in 1994. He previously served as the North American Geographic User Group (Geo) coordinator on behalf of the OAUG, served on the Board of the South Central Oracle Users Group, acted in the role of Enhancements Committee co-chair and served as member of the OAUG Communications Committee.

Clark has more than 20 years of experience helping organizations implement, upgrade and maintain the Oracle E-Business Suite. He was recognized by Oracle for working on the first Oracle Applications implementation in China. As a senior partner at O2Works LLC, Clark is currently engaged with customers worldwide in their Oracle E-Business Suite R12 efforts.

"For more than 20 years, the OAUG has been a valuable resource for users of Oracle-related Applications," said Clark. "As president, it is my goal to continue to expand the reach and the value of the numerous educational and networking benefits inherent to membership."

As the OAUG's elected president, Clark chairs the 2011 OAUG executive committee, a group chosen by the OAUG board of directors that is responsible for the organization's strategic planning process and direction. Members of this year's executive committee are Mark C. Clark as president, Bonnie Johnson as executive vice president, Margaret Wright as secretary and Robert Tee as treasurer.

Serving on the 2011 OAUG board of directors are John Bushell, JT&M Bushell; Mark C. Clark, O2Works LLC; Patricia Dues, City of Las Vegas; Andrew Farber, Consumers Union of U.S. and publisher of *Consumer Reports* magazine; Dave Herrington, Parelli Natural Horsemanship; Christine Hipp, Los Alamos National Laboratory; Joseph Imbimbo, Carnegie Mellon University; Alyssa Johnson, Solution Beacon; Bonnie Johnson, ResCare; Anne Ristau, IT Convergence; John Schmitz, University of Wisconsin-Madison Division of Information Technology; Robert Tee, Ministry of Government Services, Province of Ontario; Maurice Trentel, DS Waters of America, Inc.; and Margaret Wright, Southern Company.

About Oracle Applications Users Group (OAUG®)

Founded in 1990, the Oracle Applications Users Group (OAUG) is the world's largest user knowledgebase for Oracle Applications users. The organization serves as an advocate to Oracle Corp. for companies worldwide, including more than 35 percent of the companies on the Fortune 100 list. The OAUG provides users with education, networking and support via a wide range of activities and forums including conferences, publications, special interest groups and online communities. For more information about the OAUG, visit the Web site at oaug.org.
