## OAUG News Release

### Oracle Applications Users Group Offers Educational Series 2011

- WebEx sessions provide access to most popular presentations from COLLABORATE 11 conference -

**ATLANTA – July 26, 2011** - The [Oracle Applications Users Group \(OAUG\)](#), the world's largest user knowledgebase for Oracle® Applications users, announces the launch of its OAUG Educational Series 2011, a virtual learning series offered to OAUG members from Aug. 8-19, which features the most popular presentations from the COLLABORATE 11 – OAUG Forum.

The series of online presentations is aimed at OAUG members who were unable to attend the COLLABORATE 11 – OAUG Forum and those who attended but want a second opportunity to attend some of the top presentations. OAUG Educational Series 2011 features more than 45 sessions facilitated by Oracle Applications users, Oracle associates and industry experts. Titles include *Oracle Fusion Applications Primer*, *Release 12: Tackling the Question of Reimplementation vs. Upgrade*, *Protecting Sensitive Data in Oracle EBS*, and *Sourcing and Requisitions in Procure to Pay Process*, among others.

“Education is paramount to the OAUG, and the OAUG Educational Series 2011 is a prime example of how our organization serves its members by continually providing timely, relevant information to help them reap the most benefit from their Oracle investment,” said Mark Clark, president of the OAUG.
