OAUG News Release

OAUG Offers Educational Series 2011 Webinars Regarding Oracle Fusion Applications

ATLANTA – Sept. 27, 2011 - The [Oracle Applications Users Group \(OAUG\)](#), the world's largest user knowledgebase for Oracle® Applications users, announces the OAUG Educational Series 2011, a virtual learning series offered to OAUG members, continues with a seven-session line-up covering timely Oracle Fusion Applications-related topics in October and November with host Floyd Teter, Oracle ACE Director and member of the OAUG Fusion Council.

The series of online presentations starts Oct. 13 and ends Nov. 29. Webinar titles include *A Drive with Fusion*, *The Business Architecture*, *A Functional Perspective of the Technical Architecture*, *SOA Revisited (Part 1)*, *SOA Revisited (Part 2)*, *Not an "Either/Or" Choice* and *An Overview of Extending the Apps*.

"The OAUG brings this series to its members to assist them with the analysis, planning, adoption, implementation and success of Oracle Fusion Applications," said Mark Clark, president of the OAUG. "These sessions specifically delve into Oracle Fusion Architecture and how it will impact Oracle users and our membership over the next several years."

For more information about the OAUG, membership, the event and registration, visit [The OAUG Educational Series 2011](#) homepage.

About Oracle Applications Users Group (OAUG®)

Founded in 1990, the Oracle Applications Users Group (OAUG) is the world's largest user knowledgebase for Oracle Applications users. The organization serves as an advocate to Oracle Corp. for companies worldwide, including more than 35 percent of the companies on the Fortune 100 list. The OAUG provides users with education, networking and support via a wide range of activities and forums including conferences, publications, special interest groups and online communities. For more information about the OAUG, visit the website at [oaug.org](#).
