

## **OAUG Elects Patricia Dues As New President**

**ATLANTA, Jan. 12, 2004** – The Oracle Applications Users Group (OAUG), the world’s largest user knowledgebase for Oracle applications users, today announced the election of Patricia Dues as its new president.

Dues first joined OAUG’s board of directors in 2000 and currently is the project officer for the City Manager’s Office for the City of Las Vegas, where she successfully manages the implementation and ongoing support of the enterprise suite of Oracle Financials and HR/Payroll applications. The City of Las Vegas has been recognized by Oracle as a showcase account and Dues has coordinated a number of Oracle Showcase events and reference site visits since the city’s implementation in July 1998.

She also represents the City of Las Vegas on Oracle’s Public Sector Customer Advisory Board and has been involved in the organization and startup of both the Public Sector SIG and the Nevada Regional OAUG.

Dues takes over as president as the OAUG gears up for the OAUG Applications Forum at Oracle AppsWorld on January 26 in San Diego.

“OAUG has always provided new initiatives and programs to reinforce its value to members,” said Dues. “During my term, the organization will continue to focus on providing even more services and further developing our close relationship with Oracle.”

OAUG is also now accepting registrations for 2004 OAUG Connection Point-Australia, which will be held in Melbourne, Australia on March 3-4. For additional information on either event, please visit the OAUG’s Web site at [www.oaug.org](http://www.oaug.org).

**About Oracle Applications Users Group (OAUG®)**

The Oracle Applications Users Group (OAUG) is the world's largest knowledgebase for Oracle® Applications users. Representing more than 2,000 member companies worldwide and more than 25 percent of the Fortune 100, OAUG provides users of Oracle Applications with education, networking, training and support via a wide range of activities including conferences, publications, special interest groups and online communities. The OAUG serves as an advocate to Oracle Corp. on behalf of all Oracle Applications users. For more information about OAUG, visit the Web site at [www.oaug.org](http://www.oaug.org).
